In all fairness, mas maraming ku-makampi kay Rhian dahil mabilis silang nahusgahan saman-talang ang kuwento ng driver ay tumalon siya sa 39th floor pero nabuhay ito sa-mantalang ‘yung

providing participants with a clear understanding of the facility’s capabilities and available support for metal fabricators. In the afternoon, Ms. Girlie M. Millo, Science Research Specialist of DOST-MIRDC, presented the MEIC Sustainability Plan, outlining strategies to ensure the long-term operation and impact of the center. An open forum followed, allowing participants to raise concerns, share insights, and discuss potential areas for collaboration. The activity also featured a technology demonstration led by Engr.
