The consultation commenced in the Municipality of Senator Ninoy Aquino, led by Municipal Mayor, Hon. Rafael George L. Flauta III. During the session, Mayor Flauta highlighted the municipality's priority on establishing e-Governance systems to improve public service delivery. He acknowledged that limited internet connectivity remains a key challenge but expressed optimism that this will be addressed soon. He also emphasized strengthening the municipality's coffee industry, recognizing its role as the coffee capital of Sultan Kudarat. This was followed by ses-

sions in the Municipality of Kalamansig, under the leadership of Mayor, Hon. Ronan Eugene C. Garcia. Among his proposed initiatives are the establishment of a coffee processing center equipped with an optical scanner to support local coffee processors, as well as a coffee nursery capable of producing up to one ton per hectare annually. The final leg of the consultation was held in Tacurong City, the identified pilot community for the SSCP, headed by the City Mayor, Hon. Lina O. Montilla. Mayor Montilla shared the city's readiness to implement SSCP initiatives, highlighting efforts to strengthen internet connectivity in partnership with the Department of Information and Communications Technology (DICT). She also noted that the bioreactor project provided to the city is currently underway for operationalization. The activity underscores the strong collaboration between DOST and local government units in advancing sustainable development through science, technology, and innovation. The finalization and implementation of the SSCP Roadmap are expected to materialize before the end of the year.

Patuloy naman ang normality sa operation nila sa kabila nang isyu sa pamilya Lopez, kay Piki Lopez.

Samantala, ibinasura ni Vice Ganda ang posibilidad na kumandidato siya sa 2028 dahil sa mga lumabas sa mga informal survey na lutang ang kanyang pangalan. “Naku, nagpapagod lang sila!”

Aminado naman siyang nakatanggap siya ng mga alok na pumasok sa pulitika sa mga nakaraang taon ngunit palagi raw niya itong tinatanggihan.

Muli rin niyang iginiit ang kanyang suporta kay now Mayor Leni Robredo na sinuportahan niya rin noong nakaraang eleksyon.

“We’ll see kasi marami naman ang nagsabi na kung sila lang, hindi na sila tataakbo dahil sa clamor at kagustuhang magsilbi. The decision to run for president is not made solely for oneself. That’s why many people change their minds, because it’s not just about them.”
