NI: TANTAN FRANCISCO

Maraming kaganapan ang nangyari nitong ika-18 ng Mayo taong kasalukuyan sa dalawang institusyon ng bansa ito ang House of Representatives at Senado. Kaugnay ng usapin sa Impeachment ni Vice President Sarah Z. Duterte naglabasan ang mga balita tungkol sa pagpapalit ng liderato ng Senado. Matatandaan na matapos ang botohan sa impeachment ng pangalawang pangulo, ay napalitan si Senator Vicente Sotto III ni Senator Allan Peter Cayetano bilang Senate President. Makaraan ang ilang araw ay nagkaroon ng pagpapaputok ng baril sa Opisina

ng Senado araw na kung saan dinala ang dokumento ng Impeachment. Maraming ibat ibang mga pananaw ang mga netizens sa dahilan ng pagbitiw ng kongresista. Nariyan ang espekulasyon na ito ay nakatanggap ng maletang naglalaman ng pera kung kaya ito ay bumoto ng YES to Impeachment, ilan naman ay nagiisip na hindi na nito masikmura ang dumi ng Pulitika at nakita na nito ang panlilinlang ng ilang mga pulitiko na gahaman sa kayamanan at kapangyarihan. Subalit sa ipinahayag ni Atty. Oducado sa dami ng kanyang ginawang trabaho sa 177 na batas na kanyang ipinanukala puyat at pagod patunay na sya ay nagtatrabaho at ilang mga aktibidades na kanyang pinupuntahan para daluhan hindi malayo na siya ay magkasakit. Maaring isang dahilan ay ang pagiging bagito nito sa Pulitika kung kaya ang kalagayan ng kanyang kalusugan ay naapektuhan. Isa pa dito ay malayo siya sa kanyang pamilya naka-

kadagdag sa kanyang isipin kung kamusta na ang kalagayan ng mga ito. Sa mga rason na kanyang ipinahayag ay madami pa din ang hindi kumbinsido dito, hindi na ito pinatulan ni Atty. Nat Oducado dahil aniya Malaya naman ang mamamayan na magpahayag ng kanilang mga opinyon. Ang tinitignan na lamang nito ay ang mga taong nagtitiwala at naniniwala sa kanya, dito din makikita ang tunay niyang mga kaibigan na hindi lamang sa isang posisyon makikita ang tatag ng pakikisama at pagkakaibigan kundi sa lahat ng pagkakataon lalo na sa negatibong mga pangyayari. Sa ngayon ang kaniyang pagtutunan ng pansin ay ang kalagayan ng kanyang kalusugan at kanyang pamilya, bilang isang simpleng mamamayan ikaw ay makakatulong pa din sa Bansa na may katapatan at pagmamahal sa Puso ng Bayan.

talizing local industries. During the recent consultative meeting, DOST Ilocos Region Regional Director Teresita A. Tabaog and Provincial Director Engr. Brian U. Rasco proposed the integration of e-mobility solutions, including e-tricycles and the establishment of charging stations, to modernize the municipality’s transport sector. To provide immediate economic relief, DOST Ilocos Region also committed to conducting comprehensive energy audits for municipal offices and commercial establishments to identify inefficiencies and optimize

electricity consumption. Beyond energy and transport, the partnership aims to expand Vintar’s textile industry through the Regional Yarn Production and Innovation Center (RYPIC). The initiative seeks to modernize the production of traditional abel fabrics by introducing industrial power looms and diversifying raw materials to include bamboo, abaca, and cotton. Mayor Richard A. Degala expressed full support for the program, noting that initial steps are already underway in coordination with the Philippine Fiber Industry Development

Authority (PhilFIDA) to assist local farmers in scaling up cotton production to meet emerging industrial demands. In line with strengthening local science, technology, and innovation (STI) governance, Vintar is also among the Local Government Units (LGUs) being eyed by DOST Ilocos Norte for the implementation of the Smart and Sustainable Communities Program (SSCP) and the establishment of a Municipal Science, Technology, and Innovation (STI) Council. To ensure the sustainability of these initiatives,

Director Tabaog emphasized the need for a dedicated focal person to oversee the implementation of high-impact initiatives. DOST Ilocos Region also pledged to provide specialized monitoring systems to enable the municipality to track fuel and power consumption in real time. This strategic partnership marks Vintar’s transition toward becoming a “smart and sustainable” community—leveraging science and technology to balance modern innovation with the preservation of local resources and heritage.

NMDRRMC REPORTS 79.6% CONTAINMENT OF NAVOTAS... From page 1

MMDA Chairman and concurrent MMDRRMC head Atty. Don Artes said the discussion focused on the situation on the ground, ongoing actions, and the equipment being utilized to effectively address the issue. “Moving forward, the incident will serve as a learning experience to improve preparedness and response capabilities,” Artes stressed. President Ferdinand Marcos Jr. instructed Department of National Defense (DND) Secretary Gilberto Teodoro Jr. to seek technical assistance from foreign partners, including expert teams from Japan and the United States, to address the Navotas Sanitary Landfill fire. “The DND chief reached

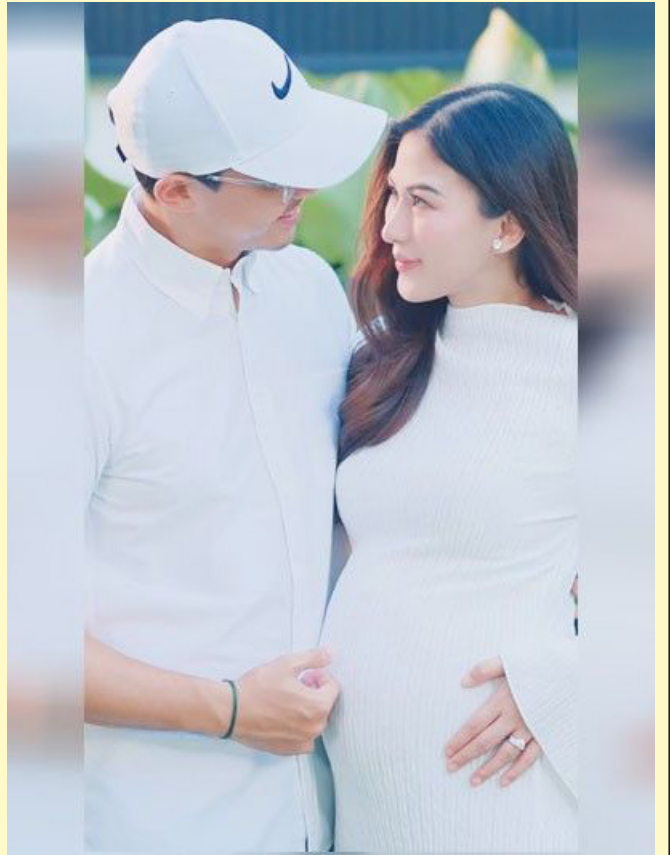

out to our foreign partners, who promptly responded and committed to providing continued support for the needs of Navotas,” said Special Envoy for Disaster Risk Reduction and Management (DRRM) Maria Antonia Yulo-Loyzaga. For his part, Navotas City Mayor John Rey Tiangco expressed his gratitude to the MMDA for convening the meeting. “I am thankful to Chairman Artes for convening this meeting. To provide a status update, the Department of Environment and Natural Resources (DENR) reported that the air quality index in Metro Manila remains within acceptable or normal levels despite the recent incident involving

the sanitary landfill. Additionally, we are utilizing a drone with thermal imaging capability to assess the possibility of ignition within the 44-hectare site,” Tiangco said. The mayor explained that the closure and rehabilitation plan had not been implemented by the operator, constituting violations of the conditions stipulated in the Environmental Compliance Certificate (ECC). Metro Manila Council President and San Juan City Mayor Francis Zamora commended the Navotas LGU for its swift action to contain the fire. “We understand how severe the situation in Navotas has been. It should serve as a lesson for us to be more pre-

pared instead of merely reacting,” Zamora said. The NSLF Task Group, led by the local government unit of Navotas, continues to conduct fire suppression operations through soil covering, smothering, and misting. The fire at the Navotas Sanitary Landfill began on April 10, and continuous to be actively managed. Among the agencies assisting in the operations are the Office of Civil Defense (OCD), Department of Public Works and Highways (DPWH), Department of Transportation (DOTr), DENR-Environmental Management Bureau, and MMDA

Alex Gonzaga, kinumpirma ang pagbubuntis!

Buntis na nga si Alex Gonzaga. At nabuntis siya sa natural na paraan. Matagal nang nahahalatang nagdadalangtao si Alex, pero hindi niya inaamin. Pero kahapon ay kinumpirma niyang sinagot ng Diyos ang kanilang mga dasal. “After almost 6 years of marriage and 3 heartbreaking losses, we never lost faith and continued to surrender everything to the Lord. While preparing for IVF, the Lord Jesus blessed us with a natural pregnancy,” umpisa ng kanyang post kalakip ang isang video ng mga pinagdaanan nila ng mister na isang halaman ang ginamit na symbolism ng kanilang pag-aalaga para mabuo ang nasabing bata sa kanyang sinapupunan. “We want to thank everyone who prayed with us, hoped with us, and supported us through this journey to becoming parents. By God’s grace, our prayers have been answered, and we are finally going to be mommy and daddy,” sabi pa niya. “The Lord Jesus truly answers prayers.

Please continue praying with us for a safe and healthy pregnancy until our baby arrives,” ang buong message ni Alex. Maaalalang hinahabol nila ang Year of the Dragon na sinasabi ngang suwerte para sa mga bagong mag-asawa na magkaanak – noong 2024. Ginawa nila ang lahat noon para siya ay mabuntis, pero hindi ibinigay ng Diyos. Bago nabuntis ay grabe ring panlilibak ang natanggap ni Alex. Hanggang naisip pa nila noong magdemanda. Pero naging magaan ang lahat nang tanggapin niya na kung hindi pa oras, ok lang. “So parang, it’s really my perspective na, o kung hindi man nabibigay ng Panginoon ‘to, ito pwede namin gawin ito ni Mikee, nakapag-travel kami, mag-business venture, kasi meron din kamiing mga ibang ginagawang business venture, so mas nakakasama ko mommy (Pinty) ko,” sabi that time ni Alex. Bago nabuntis ay grabeng panlilibak ang natanggap ni Alex. Hanggang naisip pa nila noong magdemanda.

See the POSSIBILITY, not the problem.
