DOST ILOCOS REGION EMPOWERS TESDA RO1 INFORMATION OFFICERS THROUGH EXPERT-LED TRAINING ON PHOTOGRAPHY, PHOTOJOURNALISM, REELS MAKING

BY: KARL ANTHONY M. BUGAR AND LEMUEL G. CASTIGO

The Department of Science and Technology Ilocos Region (DOST Ilocos Region), under the leadership of Regional Director Teresita A. Tabag, served as resource speakers during the "Capturing Stories through the Lens: Basic Photography and Photojournalism Training" organized by the Technical Education and Skills Development Authority Regional Office No. 1 (TESDA RO1), headed by Regional Director Ramon Evan T. Ruiz, held on May 19–20, 2026 at the TESDA Regional Office I. More than simply teaching participants how to take photos, the training

emphasized the power of photography and storytelling in documenting realities, preserving moments, and communicating stories that matter. As part of the second day of the workshop, Mr. Lemuel G. Castigo, Science Research Specialist I, and Karl Anthony M. Bugar, Project Technical Assistant II, shared their expertise in photography, visual storytelling, photojournalism, and mobile content creation through engaging discussions and hands-on activities. The activity equipped participants with practical knowledge on camera handling, com-

SIGNING...** Mula pahina 1

- Therma Luzon Inc.at ang ginanap ang AFI - Aboitiz Foundation Incorporation, sa regular ng ginagawang "Brigada Eskwela" ng lahat ng paaralan sa bayan ng Pagbilao, Quezon. Partikular na sa PGINHS or sa Pagbilao Grande Island National High School, dahil nilalayon ng nasabing kompanya ang ginagawa nilang pagpapalawak ng tuloy-tuloy na dedikasyon nito sa edukasyon. Kaya sa katunayan ay lumagda na ang mga Opisyal ng TLI kamakailan sa MOA - Memorandum of Agreement, bilang pagsuporta nila sa taunang Brigada Eskwela mula sa pagsisikap na inisyatiba kasama ang nasabing paaralan, na nakatakdang isagawa ito sa pagpasok sa buwan ng Hunyo.

Ang ginanap na MOA Signing, ay sumasalamin sa isang pagmamalasakit sa Kalikasan, sa layunin na ang kalinisan ng kapaligiran ay patungo sa pagpapaunlad ng isang lugar o ng mga paaralan, masasabing ligtas sa anumang karamdaman ang mga mag-aaral, dahil malinis ang kapaligiran ng paaralan. Sisikapin ng TLI, na makipagtulungan sa mga Tagapagturo, at sa mga Stakeholders sa gagawing pakikipagkaisa nila sa Brigada Eskwela, para sa buong komunidad, kasabay ng pagsasaayos ng mga pasilidad ng paaralan bago pa dumating ang nalalapit na pasukan ng mga estudyante sa nasabing paaralan sa bayan ng Pagbilao, Quezon.

position techniques, lighting principles, visual storytelling, ethical documentation, and mobile reels creation — essential skills in today’s fast-paced digital communication landscape. Mr. Bugar first discussed the technical foundations of photography, including camera basics and functions, proper handling of camera settings, composition techniques, and lighting principles. He also highlighted the importance of understanding the Exposure Triangle — aperture, shutter speed, and ISO — as the heart of every well-crafted image. “Ang Exposure Triangle ang pinaka-basic foundation ng photography. Mas mahalagang maintindi-

han ito dahil dito nagsisimula ang tamang pagkuha at pag-control ng bawat shot. At kung walang light, walang photo — ganoon lang kasimple ang photography,” Mr. Bugar explained. Participants were introduced to the science behind capturing images and how proper control of light, timing, and composition can transform ordinary shots into compelling photographs. Following the photography session, Mr. Castigo discussed the fundamentals of photojournalism and visual storytelling, emphasizing that powerful photographs are not only technically good — they should also tell meaningful stories. “Anyone can take a

photo. But not everyone can tell a story in one frame. Kaya mula ngayon, huwag lang tayong basta magpicture. Mag-document. Magkuwento at mag-capture ng mga moments na may meaning,” he shared. He further discussed the importance of ethical storytelling, identifying impactful shots, caption writing using the Five Ws, proper documentation, and creating engaging reels using mobile phones to effectively communicate stories to the public. The workshop became more dynamic as participants applied the concepts through practical shooting exercises, output presentations, and interactive critiquing ses-

sions where creativity, technical skills, and storytelling were put into action behind every frame. More than a technical training, the activity served as a reminder that photography is a powerful tool for communication and public service — one that can capture reality, amplify stories, and preserve moments that inspire communities. Through initiatives like this, DOST Ilocos Region continues to strengthen partnerships with regional agencies by sharing knowledge and technical expertise in communication, media, and digital content development anchored on science, technology, and innovation.

vest Management, Processing, and Marketing" on May 19, 2026, at Belo Hall, ATI-RTC XII, San Felipe, Tanta- nagan, South Cotabato. The intensive train- ing gathered key ag- ricultural front- line workers and stake- holders from MAFAR BARMM, LGU-Mid- sayap, LGU-Kidap- awan, LGU-Carmen, LGU-Kapalawan SGA BARMM, LGU-Makila- la, LGU-Lake Sebu, LGU-Banisi- lan, LGU-Matalam, LGU-General Santos City, and LGU-Maa- sim, alongside lo- cal cacao farmers. A major highlight of the activity was the compre- hensive technical ses- sion led by Ms. Maritzu P. Salipada-Sinolinding, RCh, MFSM, the Food Safety Team Leader of DOST XII. Ms. Sino- linding mastered a crit- ical deep-dive into the "Introduction to Food Safety and Sanitation" and "Current Good Man- ufacturing Practices (cGMP)" tailored directly for cacao processing. Her discussion highlighted

the science behind prop- er food handling, rigor- ous sanitation, and strict quality assurance param- eters required to transi- tion local cacao into safe, premium-grade, and ex- port-ready commodities. Through this collabora- tive "Training of Train- ers" model championed by Dir. Malawan, DOST XII intends to create a powerful multiplier ef- fect. By arming Agricul- tural Extension Workers (AEWs) with rigid scien- tific methodologies, they are fully empowered to cascade these modern, compliant processing practices directly to grass- roots farming commu- nities across the region. This science-driven approach ensures that our local chocolate and cacao products don't just capture markets locally but confident- ly meet world-class food safety regulations. Under the visionary lead- ership of Regional Di- rector Engr. Sammy P. Malawan, PhD, the De- partment of Science and Technology Region XII (DOST XII) Food Safety Team, in active collabora-

tion with the Department of Agriculture through the Agricultural Training Institute (ATI-RTC XII), successfully conducted the "Training of Train- ers on Cacao Post-Har- vest Management, Pro- cessing, and Marketing" on May 19, 2026, at Belo Hall, ATI-RTC XII, San Felipe, Tanta- nagan, South Cotabato. ## SHOWBLITZ By: Charlene Mae Tayo Sa Wakas umani ng P12 milyon sa takilya, pinakamalaking opening sa 2026

Patok agad sa moviegoers ang kwentong pag-ibig nina Belle Mariano at Donny Pangilinan sa pelikulang Tayo Sa Wakas na umani ng P12 milyon sa takilya sa unang araw nito, Mayo 27, ang high- est opening day gross para sa local films ngayong 2026. Ito ang ika-33 anni- versary offering ng Star Cin- ema na mula sa direksyon ni Cathy Garcia-Sampaña, na nagbahagi na nais ng pelikula na pasayahin ang mga manon- ood gamit ang bagong kwen- to na magpapaibig sa kanila. Kasunod ng mal- akas na theatrical debut ng pelikula, mapapanood na ito ngayon sa 250 sinehan sa bansa. Magkakaroon din ito ng global screenings simula Hunyo. Umikot ang kwento nito sa 'lovers turned rivals' na sina Cisco (Donny) at Ches- ka (Belle), na haharapin kung paano naaapektuhan ng am- bisyon ang kanilang relasyon. Sasailalim sila sa isang break- up trip para pag-usapan kung panahon na ba talagang bu- mitaw o pwede pang ipaglaban ang kanilang pagmamahal. Mapapanood din ang Tayo Sa Wakas (Us In The End) sa Australia at New Zealand simula Hunyo 11, sa US, Canada at Guam simula Hunyo 12, at sa Hong Kong at Macau simula Hunyo 21. Ipapalabas din ito sa Malaysia ngayong Hunyo, sa Taiwan simu- la Agosto 7, at sa Middle East sa nalalapit na panahon. Samantala, good vibes ang chikahan ni Vice Ganda kina Donny at Belle na mala-road trip ang concept. Driver si Donny habang pasahero sina Belle at Vice. Sa back seat nakaupo si Vice. Unang chika ni Vice: anong reaksiyon nila nung makita ang isa't isa. "Suplado, parang mahirap kausapin ito! Parang ang hirap niyang mag- ing friend, pero siyempre nagu- wapuhan ako. Sabi ko, 'ay ang guwapo,'" pag-amin ni Belle. "Hindi kami nag-u- u- sap masyado, so ang gina- wa ko, in-add ko siya sa ML, para doon kami maglalaro, doon kami mag-uusap. Nag- join naman siya! Marunong siya!" hirit naman ni Donny. "Ang ginagawa kasi nila, binabato nila ako sa ka- laban. So 'yung kalaban, pu-

punta sa akin. Pain nila ako!" ganti ni Belle na patawa-tawa. At meron din sil- ang awayan na chinika. "Ang pagkaka- lala ko, galing tayong par- ty noon. Sabi ko I didn't enjoy, tapos nilabas ko ang galit ko sa kanya!" At doon may dia- logue pa raw si Belle na 'stop the car.' "Kasi napipikon lang ako sa kanya, parang hindi niya ako pinapansin. So sabi ko, 'stop the car, kung hindi mo ako kayang pansinin, tigi- lan na natin ito,'" sey ni Belle, pero hindi naman daw nag- stop ang car. Grabe rin ang kilig sa chika ni Belle nung nakatanggap siya ng love letter na sulat kamay from Donny. At ang isa pang rebelasyon ay kung paa- no nanligaw ang aktor. "Pero ano, grabe ang effort ko noon. I think bin- igay ko naman ang kaya kong ibigay. 'Yun lang ang masasabi ko. Siyempre, first time ko 'yon na mang..., na manli... Hahaha- ha!' bitin na chika ni Donny. Sagot ni Bella "Hin- di niya masabi!" Sinundot ng first time mo manligaw? "First time ko na ano, na ganun ka-effort talaga. We were in the middle of so many things, 'di ba? Kailangan mo pang isipin 'yon? For me hindi naman effort 'yon, kasi parang gusto ko lang gawin. I don't know kung okay sa kanya?" "At saka nai-enjoy mong gawin, kasi alam mong mapapangiti mo ang tao," paglalahad pa ni Donny. Na na-appreciate naman ni Belle: "Ang layo niya kasi, Laguna siya, ako Antipolo. He drives all the way from Laguna to Anti- polo. Ang layo nung dina-drive niya. Tapos pagdating pa doon, susunduin niya ako, mag- da-drive pa kami somewhere. "So sabi ko, grabe this guy, spends what, more than five hours on the road, just to see me. Wow! Grabe ang ef- fort niya. Pero to him, it's not effort nga raw!" na mas lalong nagpakilig sa mga nanonood. Ang dami pang naka- kaaliw na mga kuwento ng Don- Belle na ngayon lang lumabas. Inaasahang lalaki pa ang kita TSW dahil nagdagdag na ng sinehan ang ibang mall. Ito ang huling project nila bilang magka-loveteam
