BUILDING A MATATAG AND MAGINHAWA FUTURE THROUGH STI AT ILOCOS REGION'S RSTW 2026

The Department of Science and Technology (DOST) officially opened the 2026 Regional Science, Technology, and Innovation Week (RSTW) in the Ilocos Region on February 16 at CSI Stadia, convening national and local leaders, academic institutions, industry partners, and innovators under the theme “Siyensya, Teknolohiya, at Inobasyon: Kabalik at Matatag, Maginhawa, at Panatag na Kinabukasan,” with the sub-theme Building Smart and Sus-

tainable Communities. In her welcome remarks, Belen T. Fernandez, Mayor of Dagupan City, underscored the city’s commitment to innovation-driven governance. She emphasized that a smart city is defined not only by digital systems or modern infrastructure, but by how knowledge and innovation generate employment, protect the environment, improve public services, and empower the youth. Teresita A. Tabaog, DOST Ilocos Regional

DOST, PSU launch country’s first ASIN R&D Center in Binmaley

BINMALEY, Pangasinan — The country’s first ASIN (Salt) Research and Development Center was formally launched on February 17, 2026 at the Pangasinan State University (PSU) Binmaley Campus, marking one of the key highlights of the 2026 Regional Science, Technology, and Innovation Week (RSTW)

in the Ilocos Region. The establishment of the ASIN Center cements PSU’s recognition as a national hub for salt research and development, in partnership with the Department of Science and Technology (DOST). PSU President Dr. Elbert M. Galas underscored that the initiative is firmly grounded

in a strong legal and policy framework, particularly Republic Act No. 8172 or the ASIN Law, which mandates the iodization of salt to eliminate iodine deficiency disorders and safeguard public health. He emphasized that salt is not only a public health imperative but also an economic resource with vast poten-

tial for local industries. DOST Ilocos Regional Director Dr. Teresita A. Tabaog recalled the region’s efforts to revitalize the salt industry through consultations and strategic implementation of DOST programs. Through the ONEAsin Program of DOST Ilocos, salt producers in Pangasinan

BUILDING A MATATAG AND MAGINHAWA FUTURE... FROM PAGE 1

Director, highlighted that the early celebration of RSTW was made possible through Dagupan City’s proactive partnership with DOST. A major highlight of the event was the launch of the first-ever DOST Niche Centers in the Regions (NICER) Salt Research and Development Center in Pangasinan, an initiative designed to strengthen the province’s salt industry and research capacity. She stressed that collaboration with local governments and communities remains essential in building smart and sustainable communities. Delivering the inspirational message on behalf of Pangasinan Gover-

nor Ramon V. Guico III, Raymundo D. Rovillos, President of Pangasinan Polytechnic College, affirmed that the province’s innovation agenda is people-centered. He cited the revitalization of salt-making initiatives and announced the upcoming launch of the PPC-DOST iHub, envisioned as a premier training ground and entrepreneurial incubator for the region’s emerging technology leaders. Ana Carmela Ventura-Remigio, Presidential Assistant Secretary for Northern Luzon, emphasized that science, technology, and innovation (STI) are critical to achieving a future that

is resilient, prosperous, and secure. She noted the alignment between national development goals and DOST’s four pillars, stressing that innovation must be purposeful and directed toward meaningful progress. In his keynote address, Renato U. Solidum Jr., DOST Secretary, highlighted Pangasinan’s historical connection to salt production—derived from the word “asin”—as a symbol of how science and innovation are deeply rooted in local knowledge and livelihoods. He encouraged local governments, researchers, educators, and students to continue transforming science into practical

solutions and ideas into opportunities for inclusive regional growth. The program also featured reports from current STI Ambassadors of Region I, the conferment of new STI Ambassadors from academia, government, industry, and the environmental sector, and the awarding of STI assistance to partner institutions, including Universidad de Dagupan, Pangasinan Polytechnic College, and the Dagupan City Government. Ceremonial highlights included the distribution of STARBOOKS units, the Water Compendium and TOURLISTA platforms, the signing of a Memorandum of

Understanding for the institutionalization of MAGHANDA for KIDS, and the launch of the SOLIDO Knowledge Hub. During the press conference, Mayor Fernandez expressed gratitude to DOST and its Ilocos Regional Office for hosting RSTW in Dagupan. She emphasized the strengthened partnership in advancing the city as a smart and sustainable community through science- and data-driven solutions tailored to local needs. She cited the establishment of science-focused schools to promote early STI education, the adoption of DOST-developed Disaster Risk Reduction and Management tech-

nologies to improve preparedness and mitigation, and the implementation of science-based waste management programs to support environmental sustainability—initiatives fully backed by Secretary Solidum and the DOST community. Running until February 18, the 2026 RSTW features technology exhibits, forums, and partnership-building activities aimed at strengthening agriculture, industry, education, tourism, and disaster resilience. The event reaffirms that in the Ilocos Region, science and innovation remain essential partners in building a smarter and more sustainable future.

DOST, PSU launch country’s first
ASIN R&D... FROM PAGE 1

were strengthened, paving the way for the province to host the first ASIN R&D Center in the Philippines. Representing the Office of the Executive Director of the DOST-Philippine Council for Industry, Energy and Emerging Technology Research and Development (DOST-PCIEERD), Engr. Niñaliza H. Escorial described the center as a strategic step toward revitalizing and strengthening the Philippine salt industry. Binmaley Municipal Mayor Hon. Pedro Herrera III, represented by Municipal Administrator Atty. Franco Francisco, expressed appreciation to DOST and highlighted that PSU serves as the showcase of the project, which is expected to open more opportunities for the municipality and the region. He also noted its potential contribution to clean and potable water solutions. Pangasinan Governor Hon. Ramon Guico III, represented by Assistant Provincial Agriculturist Mr. Nestor P. Batalla, emphasized that salt holds a

special place in the province’s identity, noting that Pangasinan literally means place where salt is made. The provincial government affirmed its full support for the initiative and its role as a member of the ASIN Center Steering Committee. DOST Undersecretary for Regional Operations Engr. Sancho A. Mabborang highlighted the importance of accelerating technology transfer to ensure scalability and enhance local livelihoods. Philippine Coconut Authority Administrator Dr. Dexter R. Buted explained that the agency relies on locally sourced salt, including supply from Pangasinan, particularly for agricultural-grade salt needed in coconut fertilization projects. He stressed the need for stronger integration, synergy, and convergence among agencies to revive the salt industry, which also supports the coconut sector as one of the country’s leading agricultural exports. DOST Undersecretary for Research and Develop-

ment Usec. Leah J. Bundenia said the initiative goes beyond boosting salt production and focuses on empowering communities. She aligned the project with DOST’s three-horizon strategy, which seeks to expand salt farms, meet growing demand, drive economic growth, and safeguard the environment. PSU is expected to lead in disseminating salt technologies to stakeholders. Department of Agrarian Reform Secretary Conrado M. Estrella III, represented by Hon. Gilbert Estrella, conveyed full support for the project and recognized the renewed appreciation for the potential of the salt industry. In his keynote message, DOST Secretary Dr. Renato U. Solidum Jr. emphasized that revitalizing the Philippine salt industry remains a national priority. He cited the challenge that the country imports around 93 percent of its salt requirements while producing only about 7 percent locally. He stressed the need to scale

up production, encourage technology adopters, and develop new technologies for salt processing, including innovations that integrate salt production with potable water solutions. The ASIN R&D Center will serve as a modern hub for salt science and technology, supporting research and development, technology deployment, and innovation-driven solutions to strengthen local salt industries and empower salt-making communities. The inauguration also featured the signing of a Memorandum of Understanding between DOST and PSU, further solidifying their partnership in advancing salt research and development in the Philippines. With strong collaboration among national agencies, the provincial government, and the academe, the launch of the ASIN R&D Center positions Pangasinan at the forefront of efforts to revitalize the salt industry, promote food security, and drive sustainable economic growth.

BRINGING LOCAL AND OVERSEAS JOB OPPORTUNITIES TO THE PUBLIC...

FROM PAGE 1

nasium in this city today. A total of 2,500 jobseekers registered online for the job fair, which offered a wide range of employment opportunities through 31 local employers and nine international recruitment agencies licensed by the DMW, ensuring compliance with legal and ethical recruitment standards for overseas employment. Among the first hires-on-the-spot, Eugene Santos expressed his gratitude after being hired by NCT Transnational Corp. as a Promo Assistant. “Ito po ang unang beses kong sumali sa isang job fair, at labis akong nag-papasalamat sa pagka-kataong ito. Excited na akong simulan ang aking trabaho bilang Promo Assistant at mapaunlad ang aking propesyonal na ka-

kayahan. Tunay na nag-bukas ng maraming oportunidad para sa akin ang job fair na ito,” he said. The job fair also featured a One-Stop Shop Government Services, which enabled aspiring applicants to process essential documentary requirements for employment and business transactions in one venue, including the Bureau of Internal Revenue (BIR), Department of Foreign Affairs (DFA), Philippine Statistics Authority (PSA), National Bureau of Investigation (NBI), Social Security System (SSS), PhilHealth, PAG-IBIG Fund, Department of Labor and Employment (DOLE), and the Department of Migrant Workers (DMW). In his message, Governor Daniel R. Fernando paid tribute to Gat

Blas F. Ople and acknowledged his significant role in advancing labor and overseas employment policies in the country. “Ang job fair natin ngayon ay alay natin sa alaala na Ka Blas. Patuloy din po tayo sa paghikayat sa pagpasok ng iba’t ibang kumpanya, proyekto, negosyo at pamumuhunan sa Bulacan. Ito ay upang matiyak natin na masigla ang lokal na ekonomiya at may nakalaang trabaho para sa bawat Bulakenyo,” the governor said. The OPLE Day Job Fair 2026 forms part of the PGB’s continuing initiatives to strengthen employment facilitation, uphold workers’ welfare, and advance inclusive and sustainable development, in keeping with the principles and legacy of Gat Blas F. Ople.

ORDER

Before this Court is a **Petition of Correction of Entry in the Certificate of Live Birth with Registry No. 206 and to Cancel the Late-Registered Certificate of Live Birth with the Local Civil Register of Dasmariñas, Cavite** filed on May 18, 2023, by petitioner, through counsel, Atty. Roland V. Medina, praying that an Order be issued granting the instant Petition and directing the Local Civil Register of Dasmariñas City, Cavite and the Philippine Statistics Authority: 1) to cancel Petitioner's late-registered Certificate of Live Birth, if not yet cancelled or be automatically revoked by operation of law; 2) to correct the year of birth of Petitioner from 1962 to 1961 in her original/initial Certificate of Live Birth with Registry No. 206; and 3) to issue a new Certificate of Live Birth containing her correct birth year-1961. A brief narration of the facts is as follows:

Petitioner **EDWINA TORRES TAGASA** was born in Dasmariñas City Cavite on December 4, 1961, her actual and correct date of birth.1 Sometime, on October 1978, Petitioner was forced to stop to attend school and apply for work to help augment the family income. Since she was then still a minor and was not yet of legal working age, she innocently added one year of birth – from 1961 to 1960 in her job application form. However, when the Petitioner was applying for SSS membership, the Personnel Department supposedly advised her to add one year to her birth date – from 1960 to 1959, because she still lacked two (2) months. Thus, petitioner was using “December 4, 1959” as her date of birth. In 1984, in her honest desire to correct her false year of birth in her SSS membership, Petitioner, in good faith, applied for registration of her birth with the Dasmariñas Civil Register, using her correct year of birth. Petitioner obtained a Philippine passport using her late registered Certificate of Live Birth. However, she was told that her late registered Certificate of Live Birth had been cancelled pursuant to new PSA Guidelines on multiple registrations where the original/initial registration id deemed to be the correct registration and shall be retained.

1 Annex B- Certificate of Live Birth of Edwina Sarno Torres.

In the Order dated December 22, 2023, the Court directing the petitioner and its counsel to submit several documents which are relevant to the instant case. In conformity to the said Order, petitioner **EDWINA TORRES TAGASA**, through counsel, filed a Compliance on May 23, 2024, submitting the following documents: 1. Amended Petition in compliance to the provisions of Sec. 6 of rule 7 of the 2019 Amended Rules on Civil Procedure; 2. Amended Judicial Affidavit of petitioner and its witness, Emiliana Torres Mantele; 3. Amended Verification and Certification of Non-Forum Shopping; 4. Original/Certified True copies of the Annexes; 5. Affidavit of Service showing proof of service to the Office of the City Prosecutor and the Solicitor General.

Moreover, on May 29, 2024, petitioner, through counsel electronically filed a **Manifestation**, reiterating that she already filed a Compliance last May 22, 2024, thus, she is praying that the said Manifestation be noted. On the same date, the counsel of the petitioner electronically filed a **Notice of Change of Email Address**, informing the Court of its change of email address from medinalaw2000@gmail.com to rvmedinalaw@gmail.com.

The **Compliance** filed on May 23, 2024, the **Manifestation** filed on May 29, 2024 and the **Notice of Change of Email Address** filed on May 29, 2024 are all hereby **NOTED**.

On June 25, 2024, this Court received a Notice of Appearance filed by the Office of the Solicitor General, entering their appearance as counsel for the Republic of the Philippines. Attached to the said Notice is a **Deputization Letter** dated June 4, 2024 addressed to the Office of the City Prosecutor, City of Dasmariñas, Cavite. The **Notice of Appearance** and the **Deputization Letter** are hereby **NOTED**.

Finding the petition as well as the corresponding annexes to be sufficient in form and substance, let the instant petition be set for hearing on **March 30, 2026 at 8:30 in the morning at the 2nd Floor of Dasmariñas Community Affairs (DASCA) Bldg. Congressional Rd. Brgy. Buro I, City of Dasmariñas**, Cavite on which date and place any interested party who may have opposition to the instant petition may appear and show cause, if any, why the petition should not be granted.

Let copy of this **Order** and its corresponding Notice of Hearing and the Petition be published once a week for three (3) consecutive weeks in a general circulation in the Province of Cavite, at the expense of the Petitioner.

The **Petitioner** is also directed to **FURNISH** the Regional Trial Court-Office of the Clerk of Court (RTC-OCC) of a copy of the **Order, Notice of Hearing and Petition** for the inclusion in the raffle of publication. Also, the Petitioner is directed to **COORDINATE** with the RTC-OCC regarding the inclusion of this docket for raffle of publication. **SO ORDERED.**

REPUBLIC OF THE PHILIPPINES
FOURTH JUDICIAL REGION
REGIONAL TRIAL COURT OF CAVITE
DASMARIÑAS CITY, CAVITE
BRANCH _____
SP CASE NO. DC 1520

In re: PETITION FOR CORRECTION OF ENTRY IN THE CERTIFICATE OF LIVE BIRTH WITH REGISTRY NO. 206 AND TO CANCEL THE LATE REGISTERED CERTIFICATE LIVE OF BIRTH WITH THE LOCAL CIVIL REGISTER OF DASMARIÑAS, CAVITE.
EDWINA TORRES TAGASA,

Petitioner,

CITY CIVIL REGISTER OF DASMARIÑAS, CAVITE, PHILIPPINE STATISTICS AUTHORITY, AND ALL PERSONS WHO MAY HAVE OR CLAIM AN INTEREST IN THESE PROCEEDINGS,

Respondents.

X-----X

PETITIONER, by counsel, to this Honorable Court most respectfully states that: 1. Petitioner is a Filipino citizen, of legal age, married, and a resident of Doroteo Mangubat St., Zone 3, Dasmariñas, Cavite. 2. Respondent CIVIL REGISTER OF DASMARIÑAS, CAVITE is the government office responsible for the recording of events that affect the civil status of individuals, including birth, marriage, and death, in the City of Dasmariñas, Cavite. It may be served summons and other court processes at the Office of the Local Local Civil Registrar of Dasmariñas, Cavite located at the Dasmariñas City Hall, Zone 4, Con Placido Campos Avenue, Dasmariñas City, Cavite. 3. Respondent PHILIPPINE STATISTICS AUTHORITY is the government agency responsible for collecting, compiling, classifying, producing, publishing and disseminating general-purpose statistics and for carrying out and administering the provisions of the Civil Registry Law. It may be served summons and other court processes at the PSA Complex, East Ave., Diliman, Quezon City. 4. The other respondents who may have or claim an interest in these proceedings may be served notice through publication in a newspaper of general circulation. 5. Petitioner's maiden name is EDWINA SARNO TORRES. She was born in Dasmariñas, Cavite on December 4, 1961 out of the legitimate union of Ernesto L. Torres and Margarita Sarno. 6. All petitioner's school records and legal documents show “DECEMBER 4, 1961” as her date of birth, which is her actual and correct date of birth, specifically, her year of birth which is “1961”. 7. In October 1978, Petitioner was forced to stop school and apply for work to help augment the family income. Since she was then still a minor (16 years 10 months old) and was not yet of legal working age, she innocently added one year to her year of birth, that is, from 1961 to 1960, in her job application form. Not knowing that Petitioner had already added one year to her age, the staff at the Personnel Department of the company she had applied with noted that she still lacked two months to be of legal working age and advised her to add one year to her birth date, that is, from 1960 to 1959. Petitioner then applied for SSS membership using “December 4, 1959” as her date of birth. 8. In 1984, in her honest desire to correct her false year of birth in her SSS membership, Petitioner, in good faith, applied for late registration of her birth with the Dasmariñas Civil Register, using her correct year of birth, that is, December 4, 1961. 9. Petitioner obtained a Philippine passport using her late-registered Certificate of Live Birth. This was also the document that she submitted to the Dasmariñas Civil Register when she married her husband, Joel R. Tagasa. 10. In 2007, Petitioner tried, but failed to secure a copy of her late-registered Certificate of Live Birth from the Philippine Statistics Office for the purpose of applying for a new passport. She was told that her late-registered Certificate of Live Birth had been cancelled/revoked pursuant to new PSA Guidelines on multiple registrations where the original/initial registration is deemed to be the correct registration and shall be retained. 11. Petitioner had no intention of committing fraud or falsification when she applied for and was issued a late-registered Certificate of Live Birth, her only intention being to correct her erroneous year of birth, albeit through the wrong process, as she has only now realized. 12. The original/initial Certificate of Live Birth of Petitioner registered with the Dasmariñas Local Civil Register contains her wrong year of birth – 1962 and should, thus, be corrected to reflect her actual and correct year of birth – 1961. 13. It is for this reason that Petitioner is now before this Honorable Court, that is, to pray for the correction of her erroneous year of birth in her Certificate of Live Birth from 1962 to 1961 as the latter is her true and correct year of birth, pursuant to the provisions of Rule 108 of the Rules of Civil Procedure. 14. Attached and made integral parts hereof are Petitioner's Judicial Affidavit and that of her witness, together with all their documentary evidence in support of this Petition.

PRAYER

WHEREFORE, it is most respectfully prayed of this Honorable Court that, after publication, notice, and hearing, an ORDER be issued granting the instant Petition and directing the Local Civil Register of Dasmariñas City, Cavite and the Philippine Statistics Authority: a) to cancel Petitioner's late-registered Certificate of Live Birth, if not yet cancelled or be automatically revoked by operation of law; b) to correct the year of birth of Petitioner from 1962 to 1961 in her original/initial Certificate of Live Birth with Registry No. 206; and c) to issue a new Certificate of Live Birth containing her correct birth year -1961. Other just and equitable reliefs are likewise prayed for.

Semis ticket pakay ni Eala kay Gauff sa Dubai championships

MANILA, Philippines — Tuloy ang matikas na ratsada ni Pinay netter Alex Eala matapos pulbusin si Sorana Cirstea ng Romania, 7-5, 6-4, para masiguro ang tiket sa quarterfinals ng Dubai Tennis Championships sa United Arab Emirates.

Solido ang ipinakitang laro ni Eala sa buong panahon ng bakban para tuluyang patalsikin si Cirstea. Nasiguro ni Eala ang kaniyang ikalawang quarterfinal appearance sa isang WTA 1000 event — una na sa Miami Open noong nakaraang taon.

“Every round is such a battle and so filled with tension. I’m really happy with how I performed and I’m really happy to be able to share it with you,” ani Eala. Una nang nagharap ang dalawa noong 2024 Madrid Open kung saan tinalo ni Cirstea si Eala sa first round, 6-3, 6-7 (6), 6-4.

“The key to today is stay calm and trusting my shots. I think was very solid in particular moments where I needed to be. That reflected my performance in the score I guess,” dagdag ni Eala. Daraan sa panibagong pagsubok si Eala dahil makakaharap nito sa quarterfinals si World No. 4 Coco Gauff ng Amerika. Hindi na bago si Eala kay Gauff na nagiging kapares nito sa doubles event ng Italian Open noong Mayo ng nakaraang taon. Nakaabot ang dalawa sa quarterfinals.

Samantala, sa pagpasok sa quarterfinals ng Dubai Championships, makasisiguro na si Eala ng \$98,500 o katumbas ng mahigit P5.7 milyon. Kalakip ng tagumpay ni Eala ang muli nitong pagangat sa WTA live rankings kung saan sumampa ito sa No. 32 spot.

Kaya naman inaasahang makakamit ni Eala ang panibagong career-high sa oras na ilabas ng WTA ang official ranking. Kasalukuyang nasa No. 47 si Eala sa official WTA rankings.

Una nang pinatalsik ni Eala sa second round si World No. 8 Jasmine Paolini ng Italy at si American Hailey Baptiste sa first round.
